Boys & Girls Clubs of San Dieguito Announces Dynamic New Board Chair

SOLANA BEACH, Calif. (September 10, 2013) – The Boys & Girls Clubs of San Dieguito (BGCSDTO) is excited to announce their new Board chair, Edward P. Wallace Jr., Vice President of Community Affairs and Sony USA Foundation for Sony Electronics.

“I am very honored and humbled to be picked by this passionate group of people, the Board of the Boys and Girls Clubs of San Dieguito,” said Ed Wallace.

Mr. Wallace has served on the board of directors for the Boys & Girls Clubs of San Dieguito for almost two years before recently taking the leap into the position of Board Chair. He serves on numerous committees within the BGCSDTO including the Club’s highly successful and most unique fundraiser, the Chip-in-for-Kids golf tourney at Torrey Pines Golf Club during the finals of the PGA Farmers Insurance Open. In addition, Boys & Girls Clubs of San Dieguito, along with BGC of Greater San Diego, is the beneficiary to the Sony Charity Golf Classic.

Ed has been instrumental in forming a national partnership between Boys & Girls Clubs of America (BGCA) and Sony Electronics Inc. that introduces youth at Clubs nationwide to the latest in photography arts through a photography program called Image Makers. Ed personally selected the Boys & Girls Clubs of San Dieguito as one of the five BGCA organizations to participate in the pilot program of Image Makers. Image Makers recently finished its first season in June at the BGCSDTO and successfully taught over 40 youth photography skills and technology over a four month period. The program will start again in September at the Club.

"We are thrilled as an organization to have Ed lead our Board of Directors as Chairperson. His vision on strategic philanthropy and corporate social responsibility are aligned with the key focal points of the future with the Boys & Girls Clubs of San Dieguito,” said David H. Crean, BGCSDTO Chief Executive Officer. “I look forward to working alongside Ed as we drive this organization to new heights.”

At Sony Electronics, Ed manages corporate contributions and volunteer activities and is in charge of grant making in the United States. He also oversees the matching gifts program, scholarship programs, corporate sponsorships and in-kind donations for the Sony Electronics Inc.
