March 2014

WELCOME

We welcome you to the Boys & Girls Club of Ocean Knoll's very first monthly newsletter! We are happy to involve staff, parents, and other friends in our fun activities and events. These monthly newsletters will be composed by our very own club members! Our Jr. Staff members will be enhancing their cooperation skills, typing skills, and general computer skills.

Shoutouts

By: Victor Silverman

Let's show some appreciation to the people who donated to the Boys and Girls Club. First, let's thank **Kathy Woith** at Promoshop for giving us clipboards. We love them! Next, we will thank Nathan and Victor's mom, **Mrs. Silverman** for donating a big basketball, small basketball, and a football. Lastly, we have Nathaniel's dad, **Mr. Frazier** and Ava and Chiara's mom, **Mrs. Bauer** to thank for bringing the wonderful snacks that all the kids savor.

SHERIFF STATION VISIT on March 12
By: Isabella Martens

Last week, some club members went to the police station. We learned about what they did and where the prisoners stayed when they were bad. The police turned the siren lights on. He didn't turn on the sound because he said, "It will hurt your ears if I turn it on." We also got a manual. It read, "No drinking and driving." The program is for teens to learn about how not to drink and drive. At the end, we got toys and treats. It was tons of fun!

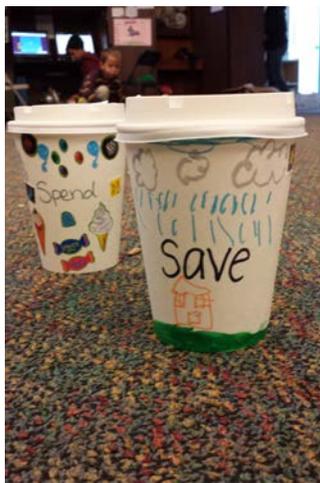

FIRE DEPARTMENT VISIT on March 13
By: Eve Goldman

Ocean Knoll Boys and Girls Club got a visit from the Fire Department. It was a blast! EVERYBODY learned at least one thing. All of the children loved the

firemen and how they showed us so many things. I bet some children would love to be a fireman or a firewoman when they grow up.

MONEY MATTERS on March 18
By: Malia Guillory and Ana Flemate

One of our volunteers who works at a local bank came to The Boys and Girls Club to teach us about how to save money. We learned that without money you wouldn't be able to do a lot of things. We will be fundraising to save enough money to buy a game system. We are hosting a read-a-thon and collecting money using our own piggy bank to put the money in. We even made our own piggy banks to remind us that we should save more than we spend.

Thank you for reading! See you next month!
