# 2014 YOUTH OF THE YEAR

“ Being a part of the Boys & Girls Clubs of San Dieguito has made a really big impact on my life. It made me confident and made me realize I could accomplish my goals. Since the Club has given a lot to me, I want to give back. I am thankful. ”  
-Meliza Espinoza

## Meliza Espinoza, 2014 Youth of the Year

Meliza was a La Colonia Branch member since the fifth grade and was one of the first teen program members. Despite English being her second language and the challenges she has faced because of this, she constantly demonstrated that nothing will get in her way. She worked very hard in the after school program to complete her assignments, ensuring they were done correctly, and

turned in on time. She always took full advantage of the support available to her and is never too proud to ask for a helping hand. Meliza was the first in her family to graduate high school and now attends Mira Costa college while also working here at the Club. Her strong will is an inspiration to those around her and proof she will be very successful at anything she put her energy in to. Congratulations Meliza!
