# ADOPT A CHILD

*Make this holiday a memorable one  
for a local child in need.*

Every year the Boys & Girls Clubs of San Dieguito runs an Adopt-a-Child program for the holidays for less fortunate kids and teens that attend the La Colonia Branch in Eden Gardens, Solana Beach and the Griset Branch in Encinitas. The Club works with other organizations and the community to get all of the kids “adopted”. Each child makes a list of essential items needed such as pants, shoes, sweaters, school needs, and one “want” item such as a toy.

## 3 easy ways to get involved

### Wrap a Gift

Individuals or businesses can sponsor a child by providing holiday gifts for a less fortunate child. Gifts can include clothes, shoes, jackets, and toys. We please ask that all gifts be wrapped and delivered to the Harper Branch by December 8th. Please contact us for a list of available sizes and ages.

### Monetary Gift

Individuals or businesses can sponsor a less fortunate child for only \$100. We will do the shopping for you!

### Give it as a Gift

Looking for a creative gift this holiday? Adopt a child in honor of a loved one and give it to them as a gift! In return, we will provide you with a thank you card and a story of the local child you adopted!

“ My favorite sport is soccer and after trying out for the Torrey Pines Freshman Soccer Team I made the cut. I was always the kid who had the cheap cleats that would rip after two months of practice. I received my first pair of professional soccer cleats through a donor for Christmas from the Adopt a Child Program. That Christmas was a Christmas to remember and I will always be blessed to have this branch, staff and donors be a part of my life. ”
