

March 16, 2020

Dear Boys & Girls Clubs of San Dieguito Families & Friends,

As of today, March 16th ALL programs will be closed through the end of March, unless conditions call for an extension. Unfortunately, after careful assessment we will not be able to keep any of our Clubhouses and facilities open during this closure period. We want to continue to assure you that the health and safety of all our youth, families, and staff remain our highest priority. As we learn more about the spread of coronavirus (COVID-19), we will remain steadfast in our commitment to taking the appropriate steps and following the timely recommendations from trusted local, regional, and national health and safety organizations. We will monitor events daily and update our web pages with the latest information on facility closures.

We are in the process of updating billing practices during our closure and appreciate your patience and understanding. The Boys & Girls Clubs of San Dieguito is comprised of 7 Clubhouses and 7 Specialty programs (Aquatics/Rancho San Dieguito Swim Team, Athletics/BIG 8 Sports, Bulldogs Basketball, Carmel Valley Montessori School, Center for a Healthy Lifestyle, Summer Adventure Camps and Youth Arts Academy).

If you are not receiving communication from your program directly please email arodriquez@bgcsandieguito.org to request being added. It's important that you give your full name and the name of the program you or your child attends.

It's times like these that our incredible staff rise to the occasion. Circumstances have inspired us to think creatively about our ability to provide online learning and instructional services whenever possible. Again, we thank you for your patience and support during these unprecedented times.

Sincerely,

Marineke Vandervort
Chief Executive Officer
Boys & Girls Clubs of San Dieguito

GREAT FUTURES START HERE.
