

FIELD TRIPS

No summer camp program is complete without a field trip. We offer a variety of field trip options, from swimming and bowling to local amusement parks to help round out a fun and rewarding summer. Field trip options vary per camp program. Campers who choose not to attend a field trip will participate in additional camp activities.

BASIC FIELD TRIPS Campers will have the option to spend the afternoon at the swimming pool. Swim trips are included in the camp fee. Due to limited transportation space, Griset Campers are on a first come first served basis.

MINI FIELD TRIPS Campers have the option of participating in a mini-field trip during the afternoon. These excursions include miniature golf, bowling, Nickel City, and the movies for \$20 each.

MAJOR FIELD TRIPS Campers have the option of participating in a major field trip during the entire camp day. These trips include: The New Children's Museum \$30, Birch Aquarium \$30, Padres Game \$35, San Diego Zoo \$35, Reuben H. Fleet/IMAX \$35, Wave Water Park \$35, USS Midway \$35, Legoland \$65 *\$20 for campers with Legoland passes. Sign-ups for Legoland close Aug. 3rd.*

FIELD TRIP REMINDERS Mini Field Trips take place during camp programming time between 9:00am-3:00pm. Major Field Trips are all day excursions and campers will return to camp between 4:00-5:00pm unless otherwise stated. There are no refunds/credits for missed field trips. In order to staff appropriately, we ask that you sign up for field trips at least 24 hours in advance. Don't forget to wear your BGC t-shirt! For safety reasons campers must wear Boys & Girls Club t-shirts when attending field trips. If your child does not have one on field trip day, one will be provided and a \$5 fee will be charged to your campers account.
