**Fee Per Week:** \$215 (Financial Assistance and Military Discount are available)

- Financial Assistance: We are accepting applications on a first come first served basis. Applications must be submitted and approved prior to registration. **Payments:** Payments can be made by credit card online. Payment is due at time of registration. Registrations must be submitted online by Thursday the week prior to the start of camp. \*Please contact Camp Office if you have any questions or need assistance with providing payment information.

**Food & Water:** Campers are required to bring a sack lunch in disposable containers. Please pack food items in disposable containers your camper can open without assistance. We are unable to heat up or refrigerate lunches. Campers are encouraged to bring additional snacks as we will not be selling snack at camp. In Phase 1 of opening our clubs, our water dispensers will not be operating. Campers will not have access to re-filling their re-usable water bottles. We will provide single use water bottles to our campers as needed in each program area. You may send a single use disposable water bottle with your child each day.

**Safety Precautions:** • Parents will not be allowed in the Club • Members must have their temperature taken before entering the building • Campers are required to bring a face covering and reminded to wear it especially when near or within 6 feet of others. Social distancing will be maintained • Facial coverings are mandatory for staff when they are within six feet of another person • Routine hand washing • Limited group size • Staff will be cleaning and disinfecting throughout the day •

**Parent Expectations:** Parents are asked to support the Club in providing a safe space for our members and staff by informing the Club of any changes to their child's health or community exposure. If a child exhibits any symptoms of fever, runny nose, coughing, or shortness of breath, parents are asked to keep them home until their symptoms have subsided for 72 hours without the assistance of medication.

Parents must walk their camper(s) to the designated check-in station each day and must answer the following questions: • Has your child had a fever, cough, sore throat, shortness of breath, vomiting, diarrhea, or a rash in the last 72 hours? • Has your child been exposed to someone who has been diagnosed with COVID-19? • Have you or your child traveled internationally in the last two weeks? If you answer yes to any of these questions, your child will not be admitted into the program and you will be asked to return when you are able to answer no. If you pass the verbal screening, your child will have their temperature checked. If lower than 100.4 F – Camper may enter building and proceed to handwashing station. If 100.4 F or higher - Camper will be sent home until fever-free without fever reducing medication for at least 72 hours.

If campers begin exhibiting symptoms of fever, cough, sore throat, shortness of breath, vomiting, diarrhea, or a rash staff will notify parents immediately. Parents are expected to pick up their child as soon as possible.

### **We're All in This Together!**

The Club will require all members and staff to follow CDC recommendations for reducing transmission, maintaining healthy business operations, and a healthy work environment including but not limited to:

1. Washing Hands:
  - a. Upon entry into building
  - b. After using the restroom

### **CAMP ATTIRE:**

Campers should come to camp in attire appropriate for outdoor activities. Sandals or open toed shoes should not be worn to camp. Please make sure that your camper is dressed appropriately for the day's activities. We suggest that campers wear shorts or pants as dresses or skirts may inhibit their participation in some activities. All slogans, designs and logos on clothing must be appropriate. The staff reserves the right to ask your child to turn any shirts inside out or to remove any baseball caps if they are not appropriate. On swim or water activity days, campers should bring the proper swim attire and towel along with normal camp clothing. Sunscreen and a hat are always recommended.

### **CAMP HOURS:**

**8:00am – 5:30pm**      **Summer Day Camps**

#### **After Hours Pick Up Fees**

There is a late pick up fee of \$1.00 per minute for every minute that your child remains at camp after closing. This fee must be paid by cash or check only to the camp staff at time of pick up. If you have an emergency that will delay you in picking up your child please notify the Camp Office as soon as possible.

### **SIGN-IN/SIGN-OUT & CAMPER PICK-UP AUTHORIZATION:**

Please notify the Camp Office anytime your child will be picked up by someone other than a parent or guardian listed on the campers registration. The staff will question anyone who is unfamiliar to them, requesting that a form of photo identification be shown before the camper is released. If someone shows up to pick your camper who is not authorized, **we will not** release your child to them until we have contacted you. ***Please inform us of certain persons not permitted to pick up your camper.***

## **Custody Situations**

If a parent is not allowed to pick up a camper, we require a copy of the custody papers be on file at the club. If that parent attempts to pick up the child, the camp staff will notify the custodial parent immediately. The staff will not forcibly deny the restricted parent from picking up the child. Please discuss the situation with your child and inform the camp office of any changes.

## **CAMPER ILLNESS:**

Campers must be healthy enough to participate in daily camp activities. Please do not send your child to camp if they are not feeling well enough to participate as we do not have facilities to accommodate sick children. If your child becomes ill while at camp, you will be asked to pick up your camper immediately. If the parent or guardian cannot be reached, the emergency contact will be notified. It is the responsibility of the parent to arrange for pick up from camp as soon as possible. *If your child has been exposed to a contagious disease please inform camp staff immediately.* For the safety of the other members and the staff, a doctor's note may be required before your child may return to camp.

**If you are keeping your child home due to illness, please contact the camp office by 8:30am and let the camp staff know of your camper's absence. If your child has a fever or vomiting/diarrhea, please make sure they remain at home 24 hours after their temperature/symptoms return to normal.**

**The following are defined as illness or communicable health problems:**

- Conjunctivitis (pink eye)
- A chronic runny nose with colored discharge
- A chronic cough
- A fever
- Vomiting or upset stomach
- Signs of general fatigue or discomfort
- An open rash
- Head lice
- COVID-19

Please notify the Camp Office if your child or any member of your immediate household develops a communicable condition (as defined by the local health department), such as COVID-19, pink eye, chicken pox or head lice. Parents are responsible to notify the Camp Office within 24 hours or the next business day. In the case of a life-threatening illness, please notify the Camp Office immediately. It is important for us to report cases of illness.

**Head Lice:** Lice can spread very easily from child to child especially during summer months! We have a **NO NIT** policy at the Boys & Girls Clubs of San Dieguito. Parents will be contacted and required to pick up their camper as soon as possible in the event lice or nits are found. Before a camper can return to camps, all nits must be removed and lice treatment given. Please contact the Site Supervisor at your camp location and set up a scalp check prior to the next date of attendance for your camper. Refunds for camp fees will not be given for days missed due to lice. In the interest of keeping our clubs lice free, a head check of all campers attending on the day of report and the next camp day may be conducted. A notice will be emailed and posted at camp locations. It is the responsibility of the parents to continue checks at home and REPORT to us.

Lice are small bugs that attach themselves to hair follicles and are very easily spread from child to child through head to head contact, backpacks, sharing of brushes, jackets, stuffed animal toys, carpets, pillows, and many other fabric items. Lice will attach them to a strand of hair and secure their eggs 5 cm to 1 inch away from the scalp and will cause the scalp to itch. It is very important that once lice are detected that they are removed immediately from the head, as they can spread easily throughout your home and to other family members. HELPFUL HINT: Wearing long hair up in a pony -tail, braids, or bun is helpful in reducing transference of lice from one camper to another.

Please check your child's hair for lice thoroughly and make sure you and your other family members are lice-free before entering the Boys and Girls Club or school. Your child must be nit free before returning to the Boys and Girls Clubs of San Dieguito. The best way to ensure your child gets rid of lice is by purchasing a good lice comb and to continue combing every two or three days for the next two weeks. If you have any questions or concerns about lice feel free to contact the Nice Lice Lady, Kristy Parker, at 858-864-5833 or visit her website [www.thenicelice lady.com](http://www.thenicelice lady.com) for more information!

### **LUNCHES & SNACKS:**

Campers must bring a sack lunch from home each day. We ask that it be a non-perishable lunch and a beverage in a disposable container or bag. Please pack a healthy and balanced meal. No soda please! Please do not send food or drinks in glass containers. Lunches will not be refrigerated or reheated. Freezing lunches and juice the day before will help preserve the food. Please mark your disposable lunch bag with your campers first and last name.

**Camp staff will not assist with food preparation or pre-heating meals. We do not sell lunches or snack items in place of a lunch meal. If your camper does not have a lunch, you will be notified and asked to bring a lunch for your camper.**

#### **Snack**

Campers burn a lot of energy at camp each day and are always hungry! We ask that you pack extra healthy snack items for your camper. If you have a younger camper, please consider sending snack and lunch in separate bags or containers. Snack time occurs twice daily during the 10am hour and 3pm\* hour. \*Afternoon snack times may vary depending on the camp activity. DURING PHASE 1 OF RE-OPENING WE WILL NOT BE SELLING SNACK ITEMS. PLEASE SEND SNACK WITH YOUR CHILD.

### **MEDICATION:**

Parents must complete and sign a medication form which is kept on file. Only prescription medicine will be dispensed. Medication must be in the original bottle with the camper's name and time medication should be given imprinted on it. Campers are responsible for getting their medication at the appropriate time from the designated camp staff.

### **CLUB PHONE/CELL PHONE USAGE:**

Campers may use the club phone for emergencies only. We request that parents call their children in emergency situations only. PLEASE LEAVE CELL PHONES AT HOME.

### **TOILETING/ACCIDENT POLICY:**

Camp staff does not provide toileting assistance but will address a toileting accident in a respectful manner. If you have a younger camper, please consider sending an extra pair of bottoms and undergarments in a backpack to be held at the front desk in the case of an accident. Please label all belongings.

The staff of The Boys and Girls Clubs of San Dieguito makes a special effort to meet the needs of each family. Please do not hesitate to call our office at 858-720-2180 or email us at [camp@bgcsandieguito.org](mailto:camp@bgcsandieguito.org) if you have any questions or concerns.
