

Hello BGC Lap and Masters Swimmers,

Please find important BGC pool updates for the month of August and Fall 2021.

Annual Maintenance Weeks – Pool Closed

- The pool will be closed for our annual maintenance weeks starting Friday, August 13th through Sunday, August 29th. The pool will be reopened for lap and Masters swimmers starting Monday, August 30th.

New Fall 2021 Lap & Masters Pool Schedule; Effective 8/30/2021

- To see our new lap and Masters schedule for Fall 2021 which will begin Monday, August 30th, please visit <http://bgcsandieguito.org/programs/aquatics/>, scroll to the lap & Masters section of our site and click on Fall 2021 Pool Schedule.

Online Reservation System

- Our online reservation system will not be online to take lap and masters reservations for Monday August 30th and beyond until Friday, August 27th. With the increase in capacity, we are not anticipating a shortage of available lanes.
- Starting with our Fall Schedule, our online system will display our availability for 10 days out at a time.

Check-in Process

- At this time our check-in process will remain the same however, please stay tuned for an updated check-in procedure. Once we are able to hire a receptionist for the lobby, we anticipate that we will adjust our current system for check-in. For a full list of current job openings at the Boys & Girls Clubs of an Dieguito, please [CLICK HERE!](#)

We need your help!!

- Help us spread the word that the BGC is now seeking lifeguards and swim instructors to work in the Fall. We are looking for individuals who are interested in joining our team and working in a fun and dynamic environment. We offer flexible hours, paid training opportunities as well as continued education in the field. To see our job posting and apply, [CLICK HERE!](#)

Sincerely,

-BGC Aquatics Staff
