

THE PARDEE AQUATICS CENTER

SUMMER SWIM LESSONS

Our certified and trained staff provide swimmers with a positive learning experience as they train, develop, and improve proper swimming techniques and practice water safety skills. Beginner classes focus on water safety, front/back floats, basic swimming fundamentals, and help swimmers adjust to the water in a comfortable and safe aquatic environment. Lessons progress to more advanced classes that focus on improving all four competitive strokes, refining stroke technique, increasing swimming competency and endurance, and learning rescue skills.
