MAKE A DIFFERENCE

With over 56 years of youth development experience, and as the second largest Boys & Girls Club in San Diego, Boys & Girls Clubs of San Dieguito has been at the forefront of meeting the needs of the north coastal community. As costs rise throughout the country, so does our need to provide over \$500,000 in financial support to working families who need a safe and trusted place for their children to get the educational and emotional support required during these still challenging times.
